

**FF FLINT'S FINE FURNITURE****BITS FOR THE BOUDOIR.**

One of the prettiest trifles is the low mahogany stool, very popular nowadays; some have the tops slightly hollowed to hold loose cushions.

Another is the cabinet table, adapted for writing, the doors being exquisitely inlaid.

There are gilded screens, dainty little cabinets for brie-a-brac or books—whatever bits of beauty you fancy, and now below factory prices.

"BUY OF THE MAKER."
